1. The drawings were received on 10/10/06. These drawings are accepted.
2. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Claim 8 is rejected under 35 U.S.C. 112, first paragraph, as failing to comply with the written description requirement. The claim(s) contains subject matter which was not described in the specification in such a way as to reasonably convey to one skilled in the relevant art that the inventor(s), at the time the application was filed, had possession of the claimed invention. A careful review of the description and drawings does not reveal any description or showing of a pocket in one of the first and second upper openings containing the club dividers as is currently claimed in claim 8. The openings containing the club dividers do not appear to have any accessory pockets at all.

3. Claims 1-7, 9-11 and 13 are allowed while claim 12 has been canceled.
4. Applicant's arguments, see pages 5 and 6 of the amendment, filed 9/11/06, with respect to the objections to the drawings and specification and rejections of claims 1-6 and 9-11 have been fully considered and are persuasive. The objections and rejections of claims 1-6 and 9-11 have been withdrawn.
